FROM THE DESK OF THE PRESIDENT

ALL ABOARD FOR BOSTON! One if by land, two if by sea, and three by any other way. In any case, one month from today I hope to see all of you in Boston. Have you sent in your reservations? Don't miss the Twelfth Annual Conference of ATLA! The Conference convenes at 10:00 a.m., Wednesday, June 18th.

The AATS meets June 17-20. We shall share a joint session on Library Standards. The Association of Professors in the Practical Fields meets June 14-17. The Association of Professors of Missions meets June 16-17. Travel, you see, will be heavy. Make your arrangements immediately. If you have mislaid your reservation blank, search no further. Write to Dr. Jannette Newhall, Boston University School of Theology, 745 Commonwealth Avenue, Boston 15, Massachusetts, without delay.

Vice-President Decherd Turner, the Program Committee, our host institution, and the Boston committee have given unsparingly of their time and talent to provide a stimulating program, comfortable accommodations and ample free time for that refreshing fellowship which has characterized ATLA Conferences. And then there are the pre- and post-Conference attractions which only Boston can add to satisfy the individual taste. A revised program together with informative comments appears later in this issue.

To expedite a few matters of necessary business, may I remind everyone to re-read the new Constitution (published in the 1957 Proceedings) which will be presented for final adoption. All committee chairmen are urged to prepare their reports in final written form. This procedure will eliminate long hours of tedious editorial work on the part of the Secretary and make for an earlier publication date for the Proceedings.

A late telephone bulletin from Mr. Alec Allenson indicates that more than 750 books representing over 55 publishers will be on display in the Book Publisher's Exhibit at the Conference. This represents a substantial increase over last year's Exhibit. We are grateful to Mr. Allenson for his service to the Association.

We are sorry to report that Dr. Lucy Markley, Editor of the ATLA Index to Religious Periodical Literature, underwent major surgery on April 29. The latest report indicates a rapid recovery, and Dr. Markley hopes to be back at work in a few weeks.

FROM THE DESK OF THE PRESIDENT - Continued

The Committee on Nominations to report at the June Conference has been appointed with the following members: Miss Betty Jane Highfield, 3225 W. Foster Avenue, Chicago 25, Illinois, Chairman; Miss Ruth C. Eisenhart, 3041 Broadway, New York 27, New York; and Mr. Roscoe M. Pierson, College of the Bible, Lexington, Kentucky. The Committee both welcomes and solicits suggestions for nominees.

Any other matter to be reviewed by the Executive Committee should be in the hands of a member of the Committee by June 13. It would be helpful to have all items submitted in written form in duplicate copy.

May I take this opportunity to express my personal appreciation to all members for their faithful concern for the work of the Association and especially to those who have patiently and diligently carried out responsibilities which have been delegated to them by the Association.

Gratefully yours,

Calvin H. Schmitt

NOTES FROM THE CHAIRMAN OF THE PROGRAM COMMITTEE

In building the Program of the Twelfth Annual Meeting of ATLA, your Committee has tried to emphasize the particular contributions which the Boston area can so adequately provide.

An antiquarian interest was a natural, and one which many of us have longed to see more prominent in ATLA programs. The trip to the Boston Public and the words of Dr. Haraszti should prove to be memorable experiences.

Dr. Lester J. Cappon, Director of the Institute of Early American History and Culture, and Archival Consultant of Colonial Williamsburg, will be our banquet speaker. Dr. Cappon's address will be directed to the problems of the preservation and usage of church records and other related historical material. Dr. Cappon will be the Director again this summer of the Annual Institute on Historical and Archival Management, under the sponsorship of Radcliffe College and the Department of History of Harvard University.

Father Brendan Connolly, S.J., will speak on the development of the periodical New Testament Abstracts. In accepting our invitation to speak, he replied: "Quite clearly Father Collins would be a more informed speaker, but he probably assumes that there is some special language of librarians in which I could be expected to be more versed than he. After some ten or twelve years of attendance at library conventions I am rapidly arriving at the melancholy conclusion that the language most special to librarians is one which would be even better understood by treasurers."

Dr. L. Harold De Wolf's books have been on our heavily used reserve shelves. His interpretation of current theological trends will balance the picture in our Program - of both the old and the new.

Because ATLA is an organization with a multitude of projects, much of our time together has to be concerned with reports. These are the channels through which our services are improved, and while they appear as staple items year after year, they are ultimately the reasons for our coming together.

Decherd Turner, Jr.
Chairman

WHAT KIND OF WEATHER DOES BOSTON HAVE LATE IN JUNE?

When the Editor of the Newsletter put this question to our hostess for the Conference, Dr. Newhall, she replied that New England can produce anything from hail to heat at that time of the year but that it will probably be warm in Boston when ATLA meets there. She advises that summer cottons are usually in order for the ladies but that they ought to bring a sweater or a jacket and a raincoat.

WESTERN THEOLOGICAL LIBRARY ASSOCIATION MEETS

The Western Theological Library Association held its eighth annual meeting on February 28, 1958, at Fuller Theological Seminary, Pasadena, California. Miss Clara B. Allen, Librarian of Fuller Seminary, was hostess.

A paper on the library reproduction of catalog cards was read by Mr. James P. Else, Catalog Librarian at the Southern California School of Theology, Claremont, California. Mr. Else's conclusion was that no one method can be singled out as being best for all libraries, since there is no product specifically designed for the purpose. Each library needs to make its own study in terms of the equipment available to it and the relative costs of materials and labor. The Reverend Francis L. Sheerin, S.J., Librarian of Alma College, Los Gatos, California, distributed a compendious mimeographed list of current Catholic periodicals, and gave an evaluation of many titles on the list.

The following officers were elected for the 1958-1959 term: Mr. Elton Shell, Southern California School of Theology, president; Mr. Oscar Burdick, Pacific School of Religion, vice-president; and Mrs. Esther Schandorff, Pasadena College, secretary-treasurer. Mrs. Schandorff invites inquiries from any who might be interested in joining the Western Theological Library Association.

CANADIAN SEMINARY CELEBRATES 75TH ANNIVERSARY

During Easter week, the Immaculate Conception College of Montreal, Canada (the French Canadian Jesuit Seminary), celebrated the 75th anniversary of its founding and the 25th anniversary of its Graduate Faculties of philosophy and theology. The other Canadian Jesuit Seminary, Christ the King College, in Toronto, is affiliated with Montreal College. The library of 120,000 volumes is outstanding in its field in Canada, especially for its files of periodicals and its basic research collections. Plans are being drawn for a complete reclassification of the collections and improved facilities for visiting research workers. The Librarian is Fr. Paul-Emile Filion, S.J., B.A., L.Ph. L.Th., M.L.S. (Columbia). The Seminary publishes a series of "edited" doctoral dissertations, the Studia Collegii Maximi Immaculatae Conceptionis, in French. The review Sciences ecclesiastiques, now in its tenth year, has become the leading French Canadian scientific periodical in its field. The librarian would gladly send a sample issue of the periodical to fellow ATLA members, on request. Fr. Filion should be addressed: 1855 Rachel Street, East, Montreal 34, Canada.

BOARD OF MICROTEXT REPORT

The ATLA Board of Microtext is pleased to announce that it has secured permission from the publishers to microfilm the following serial publications: American Church History Society Papers, first and second series; American Journal of Semitic Languages and Literature; Archiv für Reformationsgeschichte; Christendom, Oxford; Christian Advocate, New York; Christianity and Society; Ethics; Federal Council Bulletin; Harvard Theological Review; Hebraica; Indian Witness; Information Service; Interpretation; Journal of Religion; National Christian Council Review; Religion in Life; Religious Education; and Social Action. Contracts have been awarded for a number of the above while further investigation is being made to determine priority and actual need on other titles. In addition to these titles, the Board is in negotiation with many more publishers of periodicals and serials for permission to microfilm. Further details concerning the availability on film of these files will be made as soon as the information is forthcoming.

Among the titles which were recommended by the membership for microfilming, the Board reports as follows: the Corpus Reformatorum is available on microfilm. Back files of the Anglican Theological Review and the Journal of Biblical Literature can be secured substantially complete from editorial offices of these publications. The Biblical Archaeologist and the Palestine Exploration Fund Quarterly are in print. The Princeton Theological Review exists in back files, though temporarily is not available. Libraries desiring files of Christendom, Chicago, should make application to the ATLA Periodical Exchange. With the exception of ten issues, the Jewish Quarterly Review may yet be secured. The publishers of the Journal of Theological Studies, the Church Quarterly Review, and Theology inform us that plans for microfilming their files in Britain are well advanced. Sizeable portions of Religious Education are available from its publisher. A negative film of Schleiermacher's On Religion (John Oman, editor) may be found at the College of the Bible Library, Lexington, Kentucky, and positive films can be secured on application.

A full report on these and additional titles will be made at the annual meeting of ATLA. Other aspects of the work of the Board will be reported at that time.

SOUTHEASTERN BAPTIST THEOLOGICAL SEMINARY DEDICATES LIBRARY

The Southeastern Baptist Theological Seminary in Wake Forest, North Carolina dedicated its new library building on April 8, 1958. Dr. H. Shelton Smith, James B. Duke Professor of American Religious Thought at Duke University, Durham, North Carolina, was the speaker at the Convocation at 10:00 a.m.; and Dr. George B. Connell, President of Mercer University, Macon, Georgia, delivered the principal address at the Service of Dedication at 8:00 p.m. This service was followed by an Open House held in the Library.

The new building is three stories in height, is air-conditioned throughout, and cost approximately $300,000. Mr. Edwin C. Osburn is the Librarian.

PERIODICALS - BIRTHS AND DEATHS

The American Bibliographic Service has announced the publication of two new titles in its series of bibliographic check-lists. The titles and the subscription rates are:

Quarterly Check-List of Economics and Political Science ($2.75)
Semi-Annual Check-List of Ancient Near Eastern Studies ($1.50)

Details concerning other check-lists were reported in the February 15, 1958, issue of the ATLA Newsletter (v. 5, no. 2, p. 12).

Subscriptions and inquiries should be sent to: American Bibliographic Service, Box 39, East Northport, New York.

The Southwestern Journal of Theology, published quarterly by the faculty of the Southwestern Baptist Theological Seminary, Fort Worth, Texas, from 1915 to 1924, will be re-established by the School of Theology, beginning in October, 1958.

Dr. Jesse J. Northcutt, dean of the School of Theology, announces that officers for the Journal have been elected, and that it will be published semi-annually each April and October.

The new Journal will be both a new publication and the continuation of a previously existing one. It has been designed especially for the alumni of the seminary, and will be of particular value to pastors, missionaries, chaplains, teachers, and denominational workers. The main emphasis will be on keeping the readers informed on theological trends from the perspective of a constructive Baptist evangelicalism.

Of special interest to pastors will be the homiletical section which is to be included in each issue. Articles by the members of the seminary faculty and by other authors, book reviews, and book comments by seminary professors will be featured in each issue.

President J. Howard Williams of Southwestern Seminary has been elected Editor-in-Chief of the Journal. The Managing Editor will be James Leo Garrett, professor of theology at the Seminary.

The first Journal was begun in May, 1915, at Southwestern Seminary, with President L. R. Scarborough the Editor-in-Chief. Associated with the publication in its early years were such leaders of Southern Baptist thought as C. B. Williams, W. T. Conner, H. E. Dana, Jeff D. Ray, J. M. Price, I. E. Reynolds, J. B. Gambrell, W. R. White, and many others. The Journal ceased publication after July, 1924, and was followed by a monthly news magazine, The Southwestern Evangel, which lasted until 1931.

Plans for the publication of a new periodical to be known as the Revue de Qumran have been announced by the publishing firm of Letouzey & Ane, 87 boulevard Raspail, Paris VI^{e}, France.

The publishers believe that "the scientific world needs a specialized review which would centralize a notable part of the scientific studies relating to Qumran and which would publish them as quickly as possible." Articles will be accepted in English, French, German, Italian, Latin and Spanish.

Publication of the first number is anticipated in the spring of 1958. Further details concerning price, frequency of publication, etc. will be reported in the Newsletter as soon as they are available.

REPORT FROM COMMITTEE ON THE CONSTITUTION

The Committee on the Constitution calls to the attention of the membership that the second reading of the proposed Constitution will be made at the forthcoming Annual Meeting. Under our present Constitution, should the second reading of the proposed Constitution be approved by the members present, the new Constitution will then go into effect. Inasmuch as the Constitution and By-laws form the working basis and determine to a great extent policies and objectives of the Asscciation, the members are urged to read carefully the proposed Constitution and to come prepared for questions or changes, should these appear to be desirable.

MENNONITE BIBLICAL SEMINARY TO MOVE

The Mennonite Biblical Seminary now located in Chicago, Illinois, will move in July, 1958, to a new campus in Elkhart, Indiana. The Seminary's present affiliation with Bethany Biblical Seminary will be discontinued and in the future the Mennonite Biblical Seminary will work in cooperation with Goshen Biblical Seminary, located ten miles from Elkhart in Goshen, Indiana.

The new library for the Mennonite Seminary now under construction in Elkhart will have a reading and browsing area which will accommodate 70 students and will have a stack capacity of 50,000 volumes.

After July 1, 1958, the Seminary's address will be Mennonite Biblical Seminary, 3003 Benham Avenue, Elkhart, Indiana.

INSTITUTE OF HEBREW MANUSCRIPTS REPORTS ACTIVITIES

The Institute of Hebrew Manuscripts, established in 1950 as a branch of Israel's Ministry of Education and Culture to bring together in Jerusalem microfilm, photostat, infrared, and other reproductions of Hebrew manuscripts scattered throughout the world, estimates in a recent report that it has copied 20 per cent of the extant material in the first seven years of its existence. Its activities had heretofore been confined to collecting in Austria, Belgium, Denmark, France, Holland, Hungary, Italy, Switzerland, and the Vatican, but it has lately begun to function in England as well. In the course of its operations, the Institute has also acquired rare books, historical documents, and Jewish art objects. Scholars in Israel and abroad are encouraged to employ its facilities and resources in pursuing their studies.

Its first publication, Reshimat tatslume kitva ha-yad ha-'ivriyim ba-Makhon (List of Photocopies in the Institute), Part I, canvasses the libraries of Austria and West Germany. The vicissitudes of recent years have been such that some of the Hebrew manuscript collections described in the past are no longer intact. Consequently, this list also serves to supplement the older catalogs as a guide to Hebrew manuscript holdings in Central Europe.

NEWS OF ATLA MEMBERS

Mr. Charles E. Jones was elected Librarian of the Nazarene Theological Seminary, Kansas City, Missouri, at a meeting of the Board of Trustees on January 9, 1958. He will fill the vacancy created by the resignation of Mrs. Eleanor Moore Westmoreland.

Mr. Jones is a native of Kansas City. He was graduated from Bethany Nazarene College in 1954 and obtained the M.S. in L.S. degree from the University of Michigan in 1955. He served as Assistant Librarian of Bethany Nazarene College from the time of his graduation from library school until he entered the armed services in 1956. Mr. Jones will be released from the Army in October, 1958, and expects to take up his duties at the Nazarene Theological Seminary immediately thereafter.

Miss Genevieve Kelly, Librarian of the California Baptist Theological Seminary in Covina, California, will spend June, July, and August in the British Isles touring the antiquarian bookshops for the Seminary and participating in the summer program at the University of Edinburgh.

Miss Julia Pettee, living in retirement in Salisbury, Connecticut, sends her greetings to the ATLA in a letter to the Editor of the Newsletter dated May 8, 1958. She expresses her delight in the fine way in which the ATLA is developing and her regrets that she will not be able to attend the Boston Conference. Miss Pettee assures us that although age limits her activities, it does not diminish her interest in our activities.

The Reverend Keith C. Wills, Reference Librarian of the Fleming Library of the Southwestern Baptist Theological Seminary Library, Fort Worth, Texas, has accepted the position of Librarian at the new Midwestern Baptist Theological Seminary, Kansas City, Missouri. His appointment is effective June 1, 1958, and the Seminary will open its doors to its first class on September 8, 1958.

Mr. Wills has been a member of the staff of Fleming Library for the past ten years.

MEMBERSHIP COMMITTEE REPORT

The Membership Committee is working on the design for a seal to be used on the introductory ATLA brochure and on other materials prepared or published by the ATLA when desirable. The seal design will be on display at the Boston Conference.

UNION LIST OF SERIALS IN NEW JERSEY LAUNCHED

A Union List of Serials for the State of New Jersey is being prepared under the sponsorship of the New Jersey Chapter of the Special Libraries Association. The Union List - New Jersey - will list serial holdings for 60 libraries (special, public, and university) in the state. Approximately 6400 titles will be included.

The Union List will be issued at an average rate of one letter of the alphabet per month over a two-year period. When complete, it will contain about 900 loose-leaf pages. It is planned that the letter "A" will be issued about July 1, 1958, and the letters "A" through "N" will be issued during the first year. The subscription price is $15.50 for the first year.

Because the Union List must be published in a limited edition, subscriptions received after July 1, 1958, may not include the letter "A". It is anticipated that after the basic Union List - New Jersey - has been completed, subsequent revisions will be issued to keep it up-to-date.

Richard C. Gremling (Literature Service Associates) is Editor, and Edgar G. Simpkins (Bell Telephone Laboratories, Inc., Whippany) is Assistant Editor. Inquiries concerning subscriptions should be sent to the Business Manager: F. E. McKenna, c/o Air Reduction Co., Murray Hill, New Jersey.

FIVE-YEAR INDEX PREPARED FOR ATLA NEWSLETTER

Several members and friends of ATLA suggested in the course of the past year that it would be of value to have an index to the Newsletter. The editor concurred. Fortunately, one of the members of ATLA who made the suggestion also was willing to prepare the index. The editor gratefully accepted the offer of her services.

Miss Doralyn Hickey, Assistant Research Specialist on the staff of the Rutgers University Graduate School of Library Service and formerly Assistant Librarian of the Duke University Divinity School, prepared the index to the first five volumes of the ATLA Newsletter which is appended to this issue. Miss Hickey carried out her work with skill and devotion and the editor, speaking for himself and for the membership of ATLA, wishes to acckowledge her contribution with appreciation and commendation.

If the readers of the Newsletter find the index useful, it is anticipated that a similar index will be prepared at five-year intervals in the future, or more frequently should the growth of the Newsletter so warrant. In view of the probability of continued indexing, each subsequent volume of the Newsletter will be paginated continuously.
